How To Run A Successful Garage Sale - Book+Software!

"Big Bucks! Eliminate 'Stuff'! Have Fun!"

NOW IN PRINT! Includes Software CD!

Special Pricing for Homeschoolers! \$9.95 (reg \$13.95)

Yes, we take our garage sales seriously and so can you! FOR THE PAST FOUR YEARS WE HAVE CONSISTENTLY MADE OVER \$1000 AT EACH SALE! OUR LAST ONE BROUGHT IN OVER \$1700!

Big business? You bet! Also invaluable for other types of sales - yard, estate, and flea market sales!

Book Features:

- Over 70 pages of information from experts with over 20 years experience!
- Learn the ideal time and duration to have a sale!
- Learn what sells and what doesn't!
- Learn how to create advertising and signage!
- Learn how to setup your garage for optimum sales!
- Learn how to run a multi-family sale!
- Learn how to price and tag your items for optimum sale!
- Learn how to manage the "cash register!"
- Learn negotiating!
- And Much More!

Software Features:

- Trial Version Available! - Click Here To Download Now! (trial lasts for 14 days and some features are limited)
- Manage your sale directly with this easy-to-use point-of-sale software!
- Runs on any old PC (Windows 98SE or higher - at least 32MB ram, 20MB hard drive space). Any VGA monitor will work!
- Assign each seller a color tag and hotkey - use that hotkey for easy ring up of items!
- Quick, fast entry of items and amount tendered - for those big rushes!
- Quick ring up of multi-family items! Simply type the amount then the hotkey for that color tag!
- Keeps track of who sold how much and when!

- Pressing a hotkey instantly shows you the totals!

- Easy entry of a quick discount for fixed price (for negotiating) with automatic prorating for multi-families! Example: Let's say you ring up \$2 for Grandma, and \$1 for Yourself. The total is \$3. The customer offers you \$2 for the lot. The software will make the total \$2 and pro-rate the discount between you and Grandma: Grandma will get \$1.33 and you will get \$0.67! It's that easy!
- Unique "Continuous Discount" feature - enable a continuous discount and ring up items as normal - they are automatically discounted! Example: Set the continuous discount to 25%. Then enter two items for yourself at the full price - \$1 and \$2. The software will ring up \$0.75 and \$1.50 - Automatically applying the discount! Great for those last-day sales!
- Audio prompts! (Like cha-ching! for each item entry!)
- Designed for keyboard use only for quick entry - no need for a mouse during your sale! (Mouse is needed for browsing prior data but not during your rush!)
- Save each day's or sale's data!
- Browse prior sales data!
- And Much More! Check out the trial!

"I LOVE the software! Worked like a charm. I even had a couple customers who asked about it." - Krista

PRICE \$13.95 \$9.95 - includes FREE U.S. Shipping! (\$3 more for international)
